## FOREWORD

Beauty lies in simple things.  
Often missed by earthly beings.  
Pause and browse this precious year,  
And the beauty of it will appear.

EARL PHILIP GOSSWILLER

## DEDICATION

This year's GLAIVE is dedicated to Mr. Gosswiller, a friend and a leader of the students at Montclair High.

Mr. Gosswiller was born in Illinois, attended high school in Alhambra, California and went to college at Cal Poly. After one year there he joined the army and served three years in Korea. After his discharge he returned to Cal Poly where he was Class President, A.S.B. Vice President, and where he met the girl who was to become his wife. He was married in summer after graduation. He and his wife now have two children, Erik and Kari.

Mr. Gosswiller taught biology during Montclair's first year and the next year he became the Director of Student Activities.

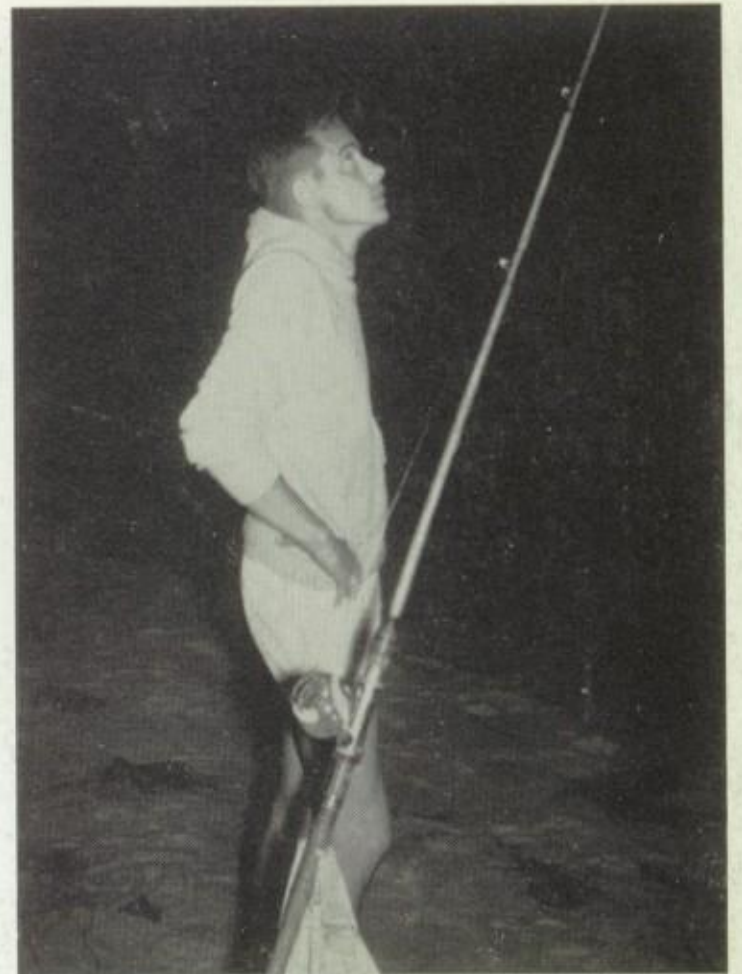

As Director of Student Activities he has shown an intense and deep interest in students. His understanding of students, his lessons in leadership and his willingness to let students assume responsibility have played a key role in the development of school pride and in the achievement of an organized and effective Student Body at Montclair.

We are glad to be able to use the dedication of the 1964 GLAIVE as a way of expressing part of our gratitude to "Mr. G."

# ADMINISTRATION

The faculty and administration are a permanent integral part of a school. The student comes as an inexperienced freshman, and four years later graduates as a mature senior. He helps Montclair to grow, but when he graduates his contribution is completed. The faculty member, however, spends his entire career giving of himself to the school—in his knowledge, interest, and friendship.

It is the faculty who have put the educational block of Montclair in place and who have made it not just a building, but an edifice of learning.

# CLASS OF '67

President Bruce Ewing

The Freshman Class has started their first year at Montclair with the enthusiasm that is characteristic of a group that shows promise of future greatness.

Although they can't hope to recapture the excitement they felt the first days of school—their first football and basketball games, their first wild dash to the lunch line and everything that is a part of Montclair, they can look ahead to future years of success and achievement.

# CLASS OF '66

President Pat Schneider

As the Sophomores finished their last year as underclassmen, they can proudly look back to a year full of activities which impressed the rest of the student body. Such activities include a candy apple sale, after game dances, ushering at the "Back to School Night," and enthusiastic participation in other activities.

Even though their class is the second to the smallest class at MHS, they are abounding with spirit and ambition to further their Class.

They've been an example for the up-coming classes to follow-in their class participation and in their loyalty to Montclair High School.

# CLASS OF '65

President Ted Cox

The Junior Class began the year by giving the first after game dance, "Kick-Off to TCL." They followed this up with the Homecoming Dance, "Magic is the Night" — one of the most successful dances Montclair has ever seen. They also sold "wolf blood" during the Claremont football week, and sponsored the Junior-Senior Prom and the Junior Assembly.

With the enthusiasm, school spirit, and leadership shown in the past, there is no reason why the future Senior Class shouldn't be a tremendous success.

The Student Council is elected each year to represent the students of Montclair High School. Each day during 4th period they met to coordinate club activities, to handle the \$15,500 budget, and to promote good sportsmanship among the students.

They had a very ambitious year. They made and sold a record of school sounds, sponsored a Blue Chip drive to purchase an organ and painted a Cavalier in the gym.

Under the guidance of Mr. Goss-willer and the capable leadership of Dave Lowry, the Student Council had a very successful year.

# GLAIVE STAFF

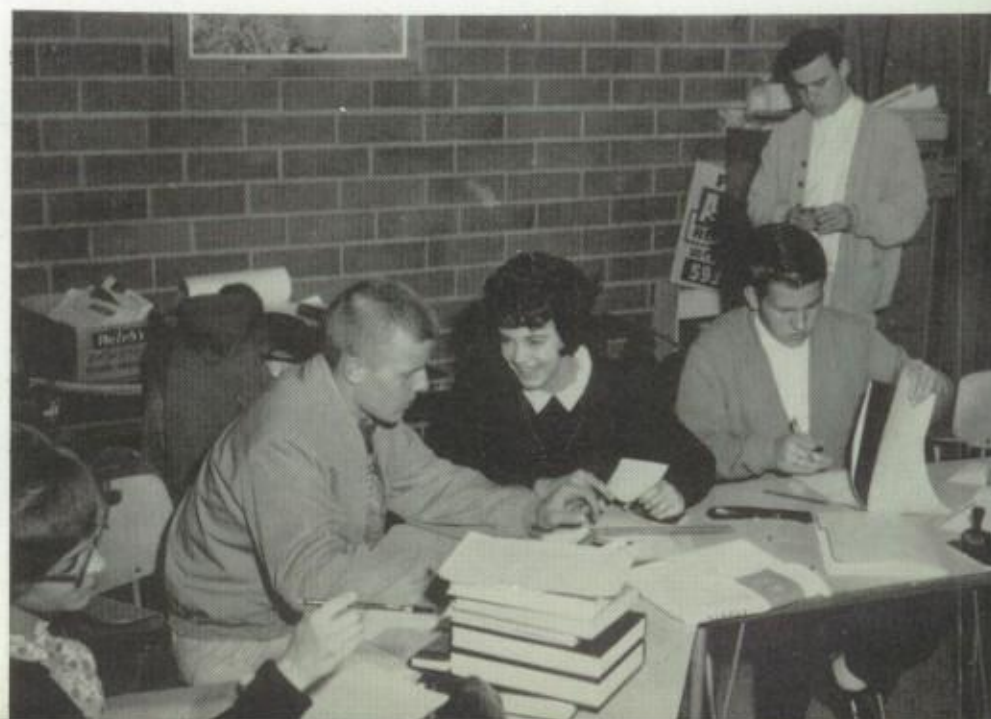

This group of hard working individuals has pushed on despite several setbacks and the reduced size of the staff. The ink flew and the typewriters constantly tapped out the tune of "Deadline soon is near," on weekends and after school sessions. We waited for senior call proofs, class action shots, dance pictures, sports and organization pictures, to be included in the final product. Finally after weeks of work, decisions and able advisorship, we fulfilled our goal to present you with your Glaive.

This year the Clarion staff has brought a real spark of originality and wit to our campus. They have covered our assemblies, our faculty, activities, sports, and have expressed their views through their editorial section. Under their sponsor, Mrs. Reid, they have done an admirable job of providing us with a publication worthy of the school which they represent.

# LEAGUE

The Girls' League started the year with the Big Sister-Little Sister Tea. This was followed up by the highly successful Father-Daughter Banquet. Dinner was served by the ghoulish Key Club.

Welfare Week netted over \$600 for the less fortunate families of our community. The canned goods drive, the candy cane sales, and Santa Claus' visit, all contributed to the Christmas atmosphere.

Backward's Week was the next big event of the year, with the annual slave auction, Student-Teacher Day, Dress Up Day, and the King Candidates. The theme of the dance was "Polynesian."

The year was finished off with the Mother-Daughter Banquet, followed by the traditional installation ceremony of the new officers.

The Girls' League had a very active and prosperous year under the leadership of Yvonne Young.

A variety of activities were scheduled for this group of energetic students. An excellent collection of leadership talent. This is obvious because of the projects they undertake. The student body thanks you for the marquee and you as members of Key Club, can point with pride at your accomplishments for the past year.

The most outstanding project this year was the donation of the marquee to the Student Body of Montclair.

# THE TEASERS

The plays presented this year by the Drama Department have been financial and entertaining successes. This achievement was made possible primarily through the efforts of the Drama Club. When not performing in the major roles of school productions, they would work behind the scenes in props, construction, sound effects, and numerous other jobs necessary for a successful production. We, the student body, are grateful and wish to let you know we appreciate your efforts.

Kitchenettes is Montclair's homemaking club, they are sponsored by Mrs. Paugstat. It is a service club that does work for the school and community. Everyone on campus has smelled the tantalizing aromas that come out of the home-making room, and felt like forming a breadline at the door. It's a sure thing that there will be a lot of fellows who'll be grateful for these girls' domestic talents.

## WHITE CAPS

The White Caps had an unusually active year under the leadership of Judy Meeks and Mrs. Mantle. They made field trips of local hospitals and served as assistants to nurses. On campus they held fund raising sales to support their service projects.

# VALIERS

The members of this club can be called the unsung heroes of Montclair. Their services include stage crew, assisting with public address systems, projectors, screens, or anything else Mr. Henderson and the Student Body can think of. Every rally, basketball game, musical, play, and football game has a Valier on duty. The only pay they ask for such activities is that you know a Valier was there to help.

**First Row:** D. LeVesque, M. Moore, T. Uebelhart, B. Cincush. **Second Row:** D. Lowry, T. Peterman, C. Bracket, W. Chambers, B. Mullen, D. Vulyak. **Third Row:** D. Overgaard, D. Hostetter, M. Wingate, G. Haynes, B. Hottenroth, P. Moore, B. Martindale, R. Staymates.

This year they took in an extra event by initiating, organizing and participating in an interschool chess league. In this league each school picked their top five players to compete in the tournament.

The purpose of the Inter-Club Council is to keep leaders of the clubs and organizations at M.H.S. well informed about the activities and problems of each other. Also it enables them to combine their forces for large projects.

David Atkinson was this year's president and Bob Filbey was the representative on Student Council.

The Inter-Club Council was confronted with the problem of having meetings with the double lunch schedule. It found a solution and got its work of approving charters and reviewing club activities done during an eventful and successful year.

# VALETTES

This club is made-up of people who have an interest and a speaking ability in Spanish.

They sponsored fund raising projects, had several parties and met often, enabling the members of the club to use their language outside of the classroom.

The scandal of the year came when they caught several members speaking French!

# LETTERMEN'S CLUB

The Lettermen's Club began the year by selling rally tags at all of the football games. Each contained some noble sentiment such as "Pluck the Eagles." Later in the year they sponsored a Donkey Basketball game where the spectators were able to watch many battles between coaches and donkeys. The Lettermen gave enthusiastic support to Montclair's athletic program.

# RALLY CLUB

This group began as just a group of school-minded pepsters and has grown into a full-fledged pep club. They have increased their membership by leaps and bounds and their enthusiasm has grown with them. They helped paint signs for the games, put on skits at pep rallies, and worked on many projects in co-operation with the pep squad. They have really just begun to grow and greater things are expected in years to come. They represent to us the intense school spirit that a school like Montclair really deserves.

The purpose of GAA is two-fold. The more obvious reason is to participate in sports, to improve skills, and to compete with other schools. The secondary reason is to promote better sportsmanship and cooperation among the girls.

This year the GAA further entered into school activities by sponsoring a dance, a sports night, swim party, and an awards banquet. They also participated in various play days and sponsored a track meet in May.

Under the leadership of Paula Johnson and the sponsorship of Mrs. Altman, Miss Gordon, and Mrs. Atwell the GAA had a very active and successful year.

# "B" FOOTBALL

This year's "B" football team was probably the finest that Montclair has seen. The team started with a great spurt. The team struggled valiantly and played every game to the last minute. Much of their success is due the fine coaching of Mr. Pollack and Mr. Ramsey.

Under the excellent coaching of Mike Jackman, the Varsity Cagers concluded their best season since entering the Tri-County League. Sparked by Seniors Mike Price, Nick Wright, and Bob Williams the team compiled a respectable 6-8 record for league play. Price and Williams, the Co-captains and Co-Most Valuable players were also named to the All-T.C.L. Honorable Mention list. Coach Jackman is looking forward to a successful season next year with eight returning lettermen plus a group of promising Bee and J.V. players.

# JV BASKETBALL

The fine shooting of Captain Charles Soto and aggressive rebounding of Dan Clayman, the J.V. Team put another successful season on the record books.

Under the guidance of former "B" Coach John Whitham, the J.V.'s were able to further their impressive reputation they received as Montclair's first J.V. Team last year.

The J.V.'s were dubbed by many on campus as the most exciting basketball team. With the experience they gained, many of the J.V.'s will be seen on the Varsity Team in the years to come.

## BEEES

1963-64 Frosh and Bee squads were some of the strongest teams we have had at Montclair. Both teams were good sized and all the players have potential.

The Frosh and Bee were high scoring groups that exploited the fast break. With the skillful coaching of these early teams by Mr. Wallace and Mr. Hill the players learn valuable experience for future years.

# VARSITY WATER POLO

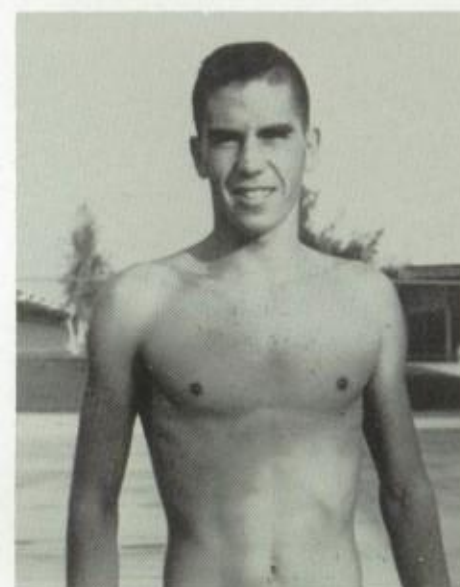

The first water polo game that Allen Remes had ever seen was played by his team this year. But despite lack of experience he began immediately to study the game and ended the year with the best water polo team that Montclair has ever had, and one of the finest teams in the league.

## SWIMMING

This year's swim team was generally considered to be the most powerful swimming team ever developed by Montclair. Many of Montclair's swimmers were among the finest in this area.

Under Coaches Ollila and Remes an intensified conditioning and training program was begun. There was nothing uncommon about sore muscles this year.

Montclair's swimmers defeated the bulk of the teams they swam against, and they strongly challenged those they didn't beat.

We are glad to hail the swimmers for their year of outstanding achievement.

# GOLF

Coach John Whitam

Coach Whitam rated this year's golfing team as the best ever.

Golf is one of the newly adopted sports at Montclair, but it certainly isn't the easiest. To develop any degree of skill one must practice and study the sport a great deal. Montclair is fortunate to have a group of athletes proficient in this sport. A good golfer is a dedicated golfer and Montclair has its share of good golfers.

## AFTERWORD

The year that has been is what the pages of this book represent. A segment of our lives that has been lived and is having its effect; a piece of time that is gone. But with us remains its memories; those of joy, of sorrow, of triumph, of defeat, of warmth, of hurt. It is these memories, whether of inspiration or disillusionment, that provide the basis of knowledge and wisdom for dealing with the present and planning for the future.

It is our desire that this book will keep alive and fresh for you, the memories of the year that has been.
